

Name: _____

Who is YOUR Santa? Your mom, dad, or maybe your grandmother, perhaps an uncle??? Whoever it is, they love you SO MUCH that they do everything it takes to make you happy. Draw a picture of their face in the picture below and then color the entire picture in. On the line below next to it, write that person's name. If you have more than one Santa, you can print out more than one copy of this page.
